Dear Dean Montano:

At their April 2020 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the Substantive Change Application submitted by the Universidad de Puerto Rico School of Architecture.

It gives me great pleasure to inform you that the board voted to approve the Substantive Change request for the addition of a new 3.5-year 106 credit M. Arch track and revision of curriculum of the existing 2-year 56 credit M. Arch track to a 1.5-year 37 credit M. Arch track. These program changes are expected to be implemented as proposed in the application.

On behalf of the NAAB, thank you for your support of accreditation in architecture education.

Very truly yours,
